

Management panels & cable shelves

19"/1U

in different versions

1. Management panel 19"/1U, version made of stainless steel, with 5 support brackets
2. 19" cable shelf with management panel
3. 19" cable shelf with cable feedthrough panel and strip

Description

Management panels 19"/1U are suitable for the routing of copper and fibre optic cables, particularly suitable for patch cords in racks or cabinets with 19" mounting angles and rails. Cable shelves fulfil the same function, particularly for multiple (trunk) cables. The basic management panels 19"/1U are available in three versions:

a) stainless steel, b) black or c) grey. These panels come without support brackets. They can be fitted with 5 support brackets in the required dimension. Please order the support brackets separately! There are labelling strips for complete management panels with support brackets available.
